DIGITALEUROPE 

A wide range of multinational companies (58) and national trade associations (34)...

Which represent more than 10,000 businesses and two million employees...

And generate revenues of over 1,000 billion Euros ...

Thus bringing credibility and legitimacy to the organisation...

Which has become the voice of the European Digital Technology Industry.

MISSION STATEMENT

DIGITALEUROPE represents the digital technology industry in Europe. Our 100+ members include some of the world's largest IT, telecoms and consumer electronics companies and national associations from every part of Europe. DIGITALEUROPE wants European businesses and citizens to benefit fully from digital technologies and for Europe to grow, attract and sustain the world's best digital technology companies.

MEMBERSHIP BENEFITS

DIGITALEUROPE works on issues that have a direct impact on the bottom line of member companies

DIGITALEUROPE is well known and respected by industry as the leading body representing our sector

DIGITALEUROPE draws its information and expertise from more than 691 technical, legal and experts participating in the industry debates and discussion which takes place with the four industry programme groups

DIGITALEUROPE offers access to a large number of contacts through its distribution list system

MEMBERSHIP BENEFITS

- ▶ DIGITALEUROPE facilitates non-commercial collaboration and coordination between member companies and national trade associations across the European Union, and assists them in sharing best-practices in many business operations and facilitating the agreement of international standards in close collaboration with international standards bodies.
- ▶ DIGITALEUROPE promotes the development of best practices and benchmarking within its members.
- ▶ DIGITALEUROPE provides up-to-date and high-value industry data and information to its members regarding all aspects of the Digital Economy in Europe and around the world.
- ▶ DIGITALEUROPE provides a forum for knowledge exchange and information sharing between members through industry programmes and pan European events. DIGITALEUROPE is the primary platform for its members to share information, expertise and warnings.

The DIGITALEUROPE offices are located

14 Rue de la Science
B-1040 Brussels
Belgium
info@digitaleurope.org
